Dear Parents/Guardians,

Learning Journey to the Jacob Ballas Children's Garden

As part of the Programme for Active Learning – Outdoor Education, our Primary 2 pupils will be participating in a learning journey to the Jacob Ballas Children's Garden. This learning experience is designed for pupils to learn about the animal and plants in the garden and appreciate nature.

We hope that this activity will encourage our pupils to explore nature and relate their observations to what they are learning in school.

The learning journey will be conducted during curriculum time on Thursday, 25 May 2017 and as such, reporting and dismissal time for the day will remain unchanged.

On the day of the trip, pupils are to be dressed in their P.E. attire. Pupils are required to carry a small bag containing the following items:

- snacks and a water bottle
- raincoat/poncho
- cap (optional)
- pencil case with stationery
- white board
